

Brenda Biondo: Paper Skies

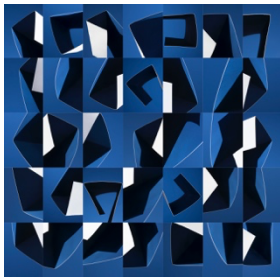

Roaster Gallery, Marfa, TX
April 8, 2023 thru mid-summer 2023

Most of the artworks in this exhibit are printed as dye sublimations on aluminum. To make dye subs, the image is first printed onto a transfer paper and then placed on top of pre-treated aluminum. The aluminum and transfer paper are then put into a heat press. Under extreme heat and pressure, the dyes from the transfer paper turn into a gas and are pressed into the surface of the metal. As the dyes cool, they are permanently infused beneath the surface of the metal substrate, making it unnecessary to put the finished artwork behind glass or plexiglass. All the works are also available as archival pigment prints on paper.

To purchase work, please contact Foto Relevance gallery in Houston at 713-505-1499 or info@fotorelevance.com.

Modality no. 1

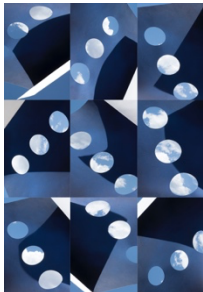

2016

48 x 48
